**NOTICE**

**THE 2005 LANDFARM FACILITY OPERATOR TRAINING AND  
CERTIFICATION SCHOOL**

**The Division of Waste Management's annual training and certification program for Landfarm facility Operators will be held on June 21, and 22, 2005 at Central Kentucky Technical College in Lawrenceburg, KY.** The objectives of this class are to promote environmentally sound solid and special waste practices, certify facility operators, and provide training on facility operations. The program contains sessions on special and solid waste for landfarming, site selection, annual reviews, regulations, site inspections, soil properties, soil and crop management, landfarming management and closure. **The length of the training class, including examination, is two days.** Upon successful completion of this course, operators will become certified for five years. Classes usually run from 8:30 a.m. until 4:30 p.m. each day. Please arrive in time to sign in each day prior to class.

**WHO MUST ATTEND:** All landfarm facilities in Kentucky must have a certified operator. **If you were granted interim status, or if your certification expires on or before December 31, 2005 you MUST register to attend this school.**

**FEES:** The fees listed below include the training course, a training manual, study guide, class supplies, refreshments, and a test for certification. Checks or money orders must be made payable to the **Kentucky State Treasurer** and should be received by the Division of Waste Management **no later than May 2, 2005. Please send in one check for each certification registration.**
